THE LIFE + ARTOIS

In a secluded lakeside location, just beyond the gentle bustle of the Cote d'Azur, lies the beautiful stone-built estate known as Chateau d'Estelle. Owned by media giant Theresa Ventnor-Bernard, the stylish dwelling hides a world where the finer things in life are savoured in absolute luxury.

After a supremely successful year, a small elite handful of guests have been invited to the chateau for an extravagant celebratory weekend and encouraged to make the most of the extensive facilities. With the estate so vast, very few of the guests have spent much time in each other's company before the planned evening meal.

As they arrive dressed for dinner it soon becomes apparent that their hostess will not be joining them.

Theresa Ventnor-Bernard is dead. Murdered no less, and one of the guests is responsible!
